## “From Fear to Faith/Confusion to Calling”

~ or ~ “The Great Reversal”

*Bob McCoy*

Introduction - Four results of the entrance of sin into our world and the way the resurrection of Jesus Christ reverses these ...

Text - Luke 24:36-53

Main Idea - We come to the “end” of Luke’s account... and the only “post-resurrection” appearance that Luke records of Jesus with the Eleven. Jesus’ actions have four distinctive features, which become both a reminder and a template. Each of these actions pictures Jesus’ “Great Reversal”

I. They ate together - Community - easing fears

-> Reversal of death

II. They studied together - Input - providing direction

-> Reversal of doubts

III. They were “sent” together - Mission - giving a destiny

-> Reversal of distance

IV. They praised together - Worship - living a worship-full lifestyle

-> Reversal of the of dominance

Conclusion - the Great Invitation
