

FAMILY CONNECTION

Use the following thoughts and questions to have a spiritual conversation as a family. Don't emphasize having the right answer, but focus on spending time discussing the Word as a family.

SCRIPTURE

Zephaniah 2:1-3; 3:9-13

SESSION SUMMARY

In this week's session, we looked at the warning God gave Israel through the prophet Zephaniah. A day of judgment was coming, but God would rescue any who humbled themselves before God. Here are some of the main things we learned from the story:

- The Lord forgives the humble (Zeph. 2:1-3).
- The Lord restores the humble (Zeph. 3:9-11).
- The Lord establishes the humble (Zeph. 3:12-13).

CONVERSATION QUESTIONS

- Why is it important for us to have humility when we have messed up?
- How do the times when you've been humble compare to the situations where you've been prideful?
- Why is it so hard for us to be humble toward one another?

FAMILY CHALLENGE

Challenge each family member to research the size of the planet, various planets, the sun, the Milky Way galaxy, and so on. Discuss how vast the universe is and how small we are in comparison. Of course, our value does not come from our size. But this kind of exercise helps put into perspective the fact that we are not the center of the universe (literally and figuratively). We should each humble ourselves and put God and others first.
