Launch

What have you heard/experienced in terms of what is required for salvation to be taken hold of?

Observe

Read Acts 2:37; Acts 3:19; Mark 1:15; Luke 5:32; Luke 24:47; Acts 8:32, Acts 17:30, Acts 20:21, Acts 26:20

1. What does God reveal about repentance in these verses?
2. Contrast that to what you might have heard/experienced in your walk.

Process

1. There are over 15,000 self-help books published every year. If repentance is merely “behavior modification”, wouldn’t that place the Bible as merely a self help book among many?
2. How does the “behavior modification” notion of repentance inform the world’s approach to faith in God?

Respond

1. Have I followed Christ according to His call to “Deny yourself, take up your cross and follow me.”?
